2010 4th Annual Michigan Snow Run Top Fundraiser Lauren Willard
(left) raising \$6,400!

Lauren has been the Michigan top fundraiser for the past 3 consecutive years and is currently 16 years of age! She is an inspiration to us all and has an obvious inspiration on the young gal next to her as Hailey McVannel (right) was recognized as the youngest fundraiser at age 10, raising \$500 + in just one week prior to the event! These two young women are someone we truly admire and respect for their determination

and commitment of helping both men and women diagnosed with breast cancer.

Scott Keskin, Trail leader receives the "boobie" prize for the silly moment of the day on the trail for returning with only 2 out of 9 in his group!

Our March birthday's are recognized at the event with a special hat!
