

Golf carts decorated for breast cancer awareness at the 1st Annual Pink Ribbon Michigan Golf Classic.

2008 Event summary: What an amazing weekend at the Medalist Golf Club as volunteers for the Pink Ribbon Riders raised close to \$4,000 and still counting for the Pink Ribbon Riders mission of helping others.

The Pink Ribbon Riders hosted the "One Day at a Time" volunteer support group for a dinner and night out on the Pink Ribbon Riders! Each attendee was invited to bring their significant other and enjoy the evening with no worries, just to come and enjoy the night!

Public Assistance of a \$500.00 gift grant was given to Annie Robinson of Pennfield, Michigan. To accept on her behalf that evening was Diane Olian.

A donation was also made at the dinner event from Graphix 2 Go in Battle Creek of \$750.00 raised at their garage sale! Thank you to all the attendees and to those men who were pink that day for making this day truly an amazing day!
