

2010 Wisconsin Snow Run – Post event

Congrats 3rd Annual Wisconsin Snow Run... \$46,000 and still counting!

What an amazing weekend filled with so much passion and the opportunity to meet new friends...

Participants came from Iowa, Minnesota, Illinois and even Michigan this year! On Saturday morning riders left from the Eagle River Inn and went out for a great day of riding even our sight seers group covered more than 150 miles with one group doing more than 200 miles!

An amazing lunch was provided at the Reiter Center in the town of Three Lakes. There we caught up with TV Channel 12 that covered the riders coming and going.

Our special guests for the evening included Bobbi Jones and brother Dave Williamson of patient Kim Williamson who were our public recipients of the event accepting a \$500 chase Visa card each for needs while they fight the disease of breast cancer.

Another group of guests we were honored to have with us this past weekend were sponsors and owners, Powermadd Company, Barb and Randy Shimenski. And last but not least our Presenting sponsors Triton Trailers Rochelle Priesgen. We thank them for the continued support to our cause.

The 2010 3rd Annual Wisconsin Snow Run was an amazing weekend and we can not wait until next year!

Thank you to all the participants and volunteers for making the Snow Run a huge success! We are proud to have you as part of the Pink Ribbon Riders family.

Pink Ribbon Riders would like to thank all of those who supported this years Snow Run. As the support poured in from donors of products, donors of financial donations all through out Wisconsin and Illinois and the USA!

Father and daughter team all decorated!
