

Pink Ribbon Riders – Frequently asked questions.

** Please take a look before contacting the Pink Ribbon Riders, we have prepared many of the common questions.*

Will reaching certain fundraising levels qualify participants to receive incentives?

Yes! There are various incentive levels for all the Pink Ribbon Riders Participants. Each Event has a Prize Program listed on its personal event page.

Please note: Riders: Your registration fee does not count towards any fundraising level

If someone is donating goods/services/space to me for my fundraising efforts, can they get some kind of tax receipt?

Unfortunately we cannot provide an in-kind gift receipt to someone who donates goods/services to a participant's fundraising efforts because the Pink Ribbon Riders Organization is not the direct recipient of the donated items.

Some participants have found that a great way to acknowledge such gifts is to wear the company's name or logo on their shirt during the event. Others have mentioned the generosity of that person/company at their fundraising event or in a thank you letter to all of their supporters.

I am missing a donation that was mailed, what should I do?

If the check is written from your account and attached to a donation form that contains your information, only you will receive tax credit for this donation. We are not able to give tax credit to multiple people for one donation. To ensure that each donor gets credit for the donation that they make, it is important to submit each donation individually.
