

3rd Annual Michigan Snow Run raises \$27,000 and public assistance was given to two Michigan Breast Cancer survivors at the event.

Our top fundraiser for the second year in a row, Lauren Willard, (14 years of age) raised over \$3,000 and donated all of her prize program prizes back to be auctioned off that evening! With Lauren's kindness her Camoplast Top Fundraiser Prize of a Camoplast pre studded track, prize program prizes from of a KLIM USA outfit, Woody's Gift Certificate and Tek Vest raised close to another \$1,000 for the cause!

Lauren is an amazing young lady and we are so honored to have her and her family as supporters of the Pink Ribbon Riders. Lauren has raised a grand total of close to \$6,000 in two years for the Pink Ribbon Riders. The event took place at the Gaylord Eagles lodge where participants and guests were treated to a Saturday Valentines Celebration with music and dancing! Dinner appetizers were served and sponsored by Bob Evans and Save A Lot from the Gaylord Area. Sunday activities included the Snow Run snowmobile ride that took us to the Black Forest Golf Club for lunch sponsored by The Osprey and The Family Moose Lodge Center of Lewiston for a great mid day snack.

The 2009 Pink Ribbon Riders public assistance gift was sponsored by Sladders Vision.org on Saturday and was presented to Pam Perrine. SladdersVision.org also made a donation gift towards the 2010 Michigan Snow Run for the assistance program which will help 2 patients in the future. Sunday evening the public recipient was Pam Courtwright seen below.
