

Otsego County Mounted Division Ride to benefit Pink Ribbon Riders©!

Members of the Otsego County Mounted Division along with their families and friends took to their saddles to raise money for the Pink Ribbon Riders©. They spent the first weekend in August camping, riding and fighting off the rain to raise \$750 to benefit our organization. The Otsego County Mounted Division invited anyone to come and ride, camp and have a potluck with them for the weekend to raise the money. A great time was had by all and all for a great cause!
