

2010 Wyoming Snow Run raises \$53,000!

The 2010 Wyoming Snow Run was a blast! I can not say enough how the excitement filled the Togwotee Mountain Lodge of riders coming together from all over the USA to this Snow Run known as the celebrity and extreme event on the Pink Ribbon Riders Snow Run Tour. Decorated sleds, decorated bras filled the halls of the beautiful Lodge at Togwotee and created an amazing feeling that filled the air. What an amazing group of people coming together to help those in need.

In the middle of the beautiful mountains the event kicked off a welcome party on Friday night, that literally we were busting on the seams of the walls as we hit a record high in attendance this year.

A silent auction, the bra decorating contest and the vintage snow suit contests were done this evening. Cowboy poetry was song by the famous Gerry Bell. With so much excitement and passion of all those that filled the room we could not wait to get on the snow the next morning.

All together over 100 riders hit the mountain and trails as the staff at Togwotee provided us with guides that took us to places that they have saved for us all winter. Yes, areas with no tracks all winter!

There was something for every rider ability and then we popped out of mountain riding along an amazing trail to the beautiful Brooks Lake Lodge for a home cooked lunch that filled our bellies. And who could forget the home made cookies... we hope they make them again next year!

Together the volunteers and all the riders we call family here at Pink Ribbon Riders raised an amazing \$53,000 for the cause. A tradition an honor at the Pink Ribbon Riders Snow Run event is to find local patients in need and invite them as the guests of honor and have them receive their financial assistance gift at the event.. This is a tradition that Pink Ribbon Riders does at all the Snow Runs and is proud to make sure that not only patients are helped in the state in which the event is in, but also locally where the events are helped.

Here are just a few photos from the event:
