

## Do you know someone that could benefit from the PRR Patient Assistance Program?

### PINK RIBBON RIDERS® PATIENT ASSISTANCE PROGRAM

The program provides a \$500.00 gift card to a man or woman that is in current treatment for breast cancer. Patients in need can use the gift card for medical bills, co-pays, gasoline, food, or anything that relieves some financial stress during their time of treatment, whatever they decide is best. It is not based on salaries made or not made, but by the greatest persons' in need. The gift is meant to help make one day better in someone's life.

#### PROGRAM REQUIREMENTS:

To receive financial help through our program, the applicant must have a breast cancer diagnosis from a medical doctor and currently be in "active or what we call current treatment" (radiation, chemotherapy, surgery or awaiting surgery). Hormone Therapy is not considered. Applicant must be a U.S. citizen and be a resident of one of the following states: MI, MN, NY, WI, & WY (*some restrictions may apply, please see website for full details*)

#### HOW To tell or refer a person to apply for our Program:

1. Go to the PRR website at [www.pinkribbonriders.com](http://www.pinkribbonriders.com)
2. Please do not call the organization, we do not have a public phone #.
3. Once, at the website. Review all requirements and open dates for applying.
4. The patient will need to apply and provide their email address. We can only communicate via email and will not except applications with emails from nurses or cancer centers.

#### If you are going to help your friend or family member with the application:

##### Please keep in mind:

- Our program is completely online.
- Email is our main source of communication.
