

A nonprofit organization that provides direct financial assistance to both Men and Women with Breast Cancer.

Do you know a man or women diagnosed with breast cancer?

The PINK RIBBON RIDERS® organization provides direct financial assistance to men and women diagnosed with breast cancer living in New York, Michigan, Wisconsin, Minnesota and Wyoming. Help us spread the word that there is help for them. Give this flyer to them or hang it up in your community.

The Pink Ribbon Riders Patient Assistance Program provides a \$500.00 gift of financial assistance to a patient in need in hopes to make one day less stressful. The assistance can be used for co-pays, gasoline, food, or anything that relieves some financial stress during their time of treatment. The gift is meant to help make one day better in someone's life.

To receive financial help through our program, the applicant must have a breast cancer diagnosis from a medical doctor and currently be in "active or what we call current treatment" (radiation, chemotherapy, surgery, awaiting surgery or within 6 months of their treatment if they still have bills related). Hormone Therapy is not considered. Applicant must be a U.S. citizen and be a resident of one of the following states: NY, MI, WI, MN, & WY.
